

Accordingly, revisions associated with Amendment 2 are highlighted in “**bold**” text.

1. Clause B.5, NONPROPOSED COSTS, (GSFC 52.216-94) (FEB 1991), Paragraph (b) is hereby revised as follows:

FROM:

(b) These costs are the Government's best estimate of what the actuals will be. There will be no adjustment in the fee(s) of the contract should the actuals be different than these estimates, unless additional effort is added to the contract or there is a change to the contract under the Changes clause of this contract which impacts these estimates.

TO:

(b) These costs are the Government's best estimate of what the actuals will be. There will be no adjustment in the fee(s) of the contract should the actuals be different than the nonproposed cost estimates. The Government will not issue a change order to increase or decrease the estimated costs simply due to a variance between the estimates and actuals. The Government may issue a change order to increase or decrease future estimated costs due to changes to the work within the general scope of the contract, including changes in the Statement of Work.

2. Provision L.18, COST VOLUME (NOV 2010), 2. Cost Proposal Format, ELEMENT OF COST BY SOW WORK BREAKDOWN STRUCTURE (WBS) ELEMENT is hereby revised as follows:

FROM:

ELEMENT OF COST BY SOW WORK BREAKDOWN STRUCTURE (WBS) ELEMENT

Exhibit 2 summarizes the elements of cost by SOW WBS starting at WBS Level III – 1.1, 1.2, 1.2, etc., and then summarizing for each higher level (WBS Level II – 1.0, 2.0, 3.0, etc. and WBS I – Total Contract Value) by each contract year, including the option period based on bid labor and bid indirect burden rates.

TO:

ELEMENT OF COST BY SOW WORK BREAKDOWN STRUCTURE (WBS) ELEMENT

Exhibit 2 summarizes the elements of cost by SOW WBS starting at WBS Level III – 1.1, 1.2, 1.2, etc., and then summarizing for each higher level (WBS Level II – 1.0, 2.0, 3.0, etc.

and WBS I – Total Contract Value) by each contract year, including the option period based on bid labor and bid indirect burden rates.

To populate the nonproposed cost data in Exhibit 2, as applicable, Offerors shall utilize Exhibit 18. Exhibit 18 provides the distribution of the nonproposed costs (identified in clause B.5) by WBS, month and year.

3. Provision L.18, COST VOLUME (NOV 2010), 2. Cost Proposal Format, PROBABLE SUBCONTRACTORS is hereby revised as follows:

FROM:

PROBABLE SUBCONTRACTORS

Offerors shall complete Exhibit 6 summarizing the activities that the Offeror proposes to subcontract out.

TO:

PROBABLE SUBCONTRACTORS

Prime Offerors only shall complete Exhibit 6 summarizing the activities that the Prime Offeror proposes to subcontract out. Exhibit 6 requires the Prime Offeror to provide the numbers of hours and the cost/price proposed by the Subcontractor to perform the subcontracted effort in the Sub Proposed Hours and Sub Proposed Price columns. The Prime Offeror is to include the number of hours and the cost/price included in the Prime's proposal for that same subcontracted effort in the Prime Proposed Sub Hours and Prime Proposed Sub Price columns and explain the differences, if any.

4. Provision L.18, COST VOLUME (NOV 2010), 2. Cost Proposal Format, PHASE-IN PLAN is hereby revised as follows:

FROM:

Offerors shall propose the total firm-fixed-price associated with the 61 day phase-in period, which will be performed under a separate, firm-fixed-price order. Exhibit 9 shall be used to state the proposed price for the phase-in, which is expected to commence on or about December 16, 2011.

TO:

Offerors shall propose the total firm-fixed-price associated with the **60 day phase-in period**, which will be performed under a separate, firm-fixed-price order. Exhibit 9 shall be used to state the proposed price for the phase-in, which is expected to commence on or about December 16, 2011.
